Mr Rick Mitchell-Collins  
Chief Executive Officer  
Shire of Kojonup  
PO Box 163  
Kojonup WA 6395

Dear Rick

### **APPLICATION FOR DEVELOPMENT APPROVAL**

I refer to the requirement for additional grain storage for the 2020 harvest to augment storage at the Kojonup grain receival site.

I also refer to CBH's request to sub-lease a portion of Lot 9999 Thornbury Close for up to four years to receive, store and out-load grain.

Proposed development includes the following:

- Relocation of existing stockpiles of materials on site.
- Compacted lime/cement stabilised gravel crossover, access road and pad for the two open bulkheads.
- Stormwater drains around the road and pad and two detention basins.
- Installation of two 185 m long, 35 m wide, 24,235 tonne capacity (each) open bulkheads using 1.8 m high wall frames anchored to cement stabilised compacted gravel.
- Open bulkheads will be filled by a portable drive over grid grain stacker and covered with tarpaulins once filled with grain.

Please find attached the following documentation and drawings:

- Shire of Kojonup application for development approval form.
- Conceptual layout option 1 (site plan) drawing 557-ENG-CI-DCO-0005\_C.
- Open bulkhead wall frame drawings S119-ENG-ST-DGA-0003-R0 sheets 1 to 9 of 9.
- Section and details drawing S000-ENG-CI-STD-0002-R3 for cement stabilisation underneath the wall frames.
- Traffic impact statement report 2009007-TIS-001\_A.

To be ready for this harvest, earthworks will need to start around 29 September 2020 and likely to finish around 29 October 2020 and request assistance to expedite the application's determination.
