Ballot paper name	BILNEY, Roger
Candidate name	Roger Frederick BILNEY
District	Shire of Kojonup
Nominating for	Councillor for Shire of Kojonup
Election type	Ordinary
Enrolment status	BILNEY, Roger is eligible to stand for election as a resident of the Shire of Kojonup.

I have had the pleasure of being part of the team of Kojonup Shire Councilors for four years with the role of Shire President for the last two years, and with the community's support would like to continue being part of that team.

The opportunity to plan and contribute to the character of our district is one that also carries the responsibility to listen and understand the wishes of our community members. I have been part of a deliberate plan to make the council's workings and finances clearer to the community with a focus on transparency. We have embarked on this process to create the awareness that the Council belongs to the people of Kojonup.

I have enjoyed the opportunity afforded to me to listen and respond to your questions and would be grateful to be able to continue doing that if re-elected to Council.

Regards

Roger Bilney.
