

Candidate Details

| | |
|-------------------|---|
| Ballot paper name | BILNEY, Susanne |
| Candidate name | Susanne Lee BILNEY |
| District | Shire of Kojonup |
| Nominating for | Councillor for Shire of Kojonup |
| Election type | Ordinary |
| Enrolment status | BILNEY, Susanne is eligible to stand for election as a resident of the Shire of Kojonup. |

I am Susanne Bilney and was born in Kojonup and went to school at Kojonup District High School. I studied metallurgy at the Kalgoorlie School of Mines and worked in the mining industry before studying computing and working at Centrelink for twenty years. Then I went travelling and teaching English in China for ten years, returning every couple of years to assist the Kojonup Historical Society.

Since returning to Kojonup in 2019 I have worked for the Kojonup and Katanning Historical Societies and am assisting both societies in moving their collections onto the CollectionsWA digital platform.

The challenges that face our community are not insurmountable but it will become increasingly important that we all work together so that our community can grow and thrive.

Kojonup has so much to be proud of and I believe by prioritising projects and committing to finishing projects then that sense of achievement will be an impetus to take on the next.

I ask you to support my nomination for council.
