I have served on the Kojonup Shire Council for the last Two years as President, and wish to Re-Nominate for Council. I have a sincere interest in the Shire and our town in General and I feel I can justify my nomination.

My Interests still revolve around Community based organizations and I am on the Committees of The Kodja Place, Kojonup Bush Fire Bridgade, Kojonup Tourist Railway, Rotary Club and a Warden of The Anglican Parish of St Mary's.

Since being on the Shire and in my capacity as President I was instrumental in the location of The Medical Centre being located on Walkers Block.

I have worked and fought tirelessly for the Construction and relocation of a new Fire Tower which is finally coming to fruition.

A new dam built for water storage and located on Blackwood Road has also been very successful.

I am available for contact by Ratepayers.

I ask for your VOTE.
