SPRINGHAVEN

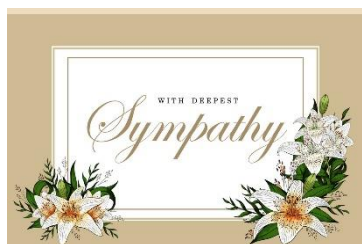

Our Residents have had an amazing morning with the Year 1 Class from Kojonup District High School today. In Celebration of Family Literacy Day, the residents and children participated in several fun and crazy crafts which were inspired by some of our favourite children's books.

The residents helped the children make fish out of playdough, pipe cleaner stickmen, colourful chameleons as well as a few Christmas inspired crafts. Thank you to the lovely Year 1 class for coming up to Springhaven to visit. The residents love looking at the crafts you made which now cover the walls of our Recreation Room. We look forward to you visiting again.

Last week we had the lovely Lisa Martello-Hart visit to read her new, not yet released book "Our 'EPIC' Australian Story". Lisa read a poem of the history of our amazing country. The residents were captivated as she read and it resonated deeply with some of them. We also enjoyed looking through her other book, "Aussie Kid Adventures" too. It was a lovely morning and thank you Lisa for visiting us. Until next time!

It is with great sadness that we announce the passing of Norma Fleay. Norma was with us for several years and she will be greatly missed by staff and residents. Our condolences to her loving family.

Travelling Sketchbook Exhibition

19 November - 10 December 2019

Kojonup Library, 93 Albany Highway, Kojonup, 6395 WA

The Travelling Sketchbook Exhibition is an extension of The Sketchbook Project. Following the Sketchbook Exhibition displayed at the State Library of Western Australia during Youth Week WA, the sketchbooks embark on a tour across Western Australian rural and suburban libraries, for the rest of the State and regional participants to enjoy.

In 2019, we received over 250 sketchbooks from participants all across WA, each as wonderful and unique as the other. Some are light-hearted and funny, others are deeply personal, and we had some really creative interpretations in the mix too.

Play Cafe is starting to wind down for the year, so we are busy with our Christmas crafts for the following weeks at KDHS Kindy room from 10am-12pm. So please join Kat & Lorreen for fun mornings. Please bring a photo of your child that we may use with one of the crafts. (It will be cut to a circular shape of about 6cm.)

Be Connected with Bec, we are terribly sorry Bec had to cancel this week but we all know what a tooth ache is capable of reducing you too. Hope you're on the mend Bec and we look forward to planning our next lessons with you, keep a lookout for your messages for new date and time.

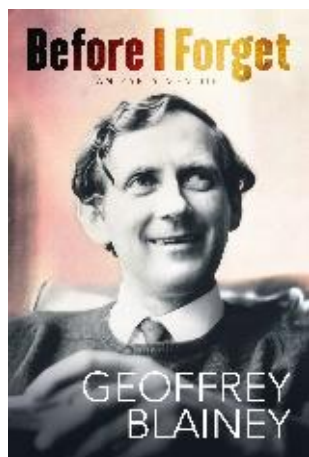

Kerry has been super busy again, this time loading new Christmas DVD's to us to share...

With harvest well and truly underway, remember those lonely hours and be filled with the latest and classic book we all enjoy. eResources are super easy to use and even easier to source. BorrowBox. Libby. Overdrive. Free for your listen or reading pleasure using your library card.

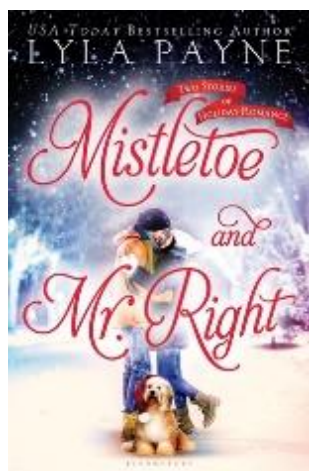

New Library Books now available:

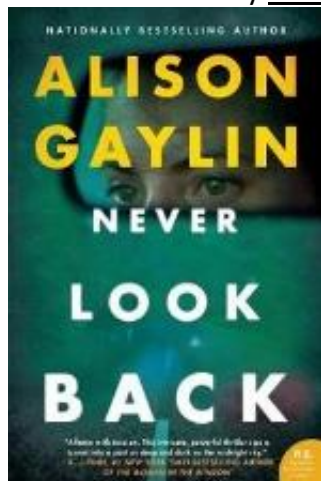

Before I Forget is the long-awaited memoir from Professor Geoffrey Blainey – Australia's most significant and popular historian – that tells the story of the first forty years of his life, from his childhood to his career as historian and writer.

Now in his late-eighties, and listed by the National Trust as a 'Living Treasure', in *Before I Forget* Geoffrey Blainey reflects on his humble beginnings as the son of a Methodist Minister and school teacher, one of five children, and a carefree childhood spent in rural Victoria, from Terang to Leongatha, Geelong to Ballarat. From a young age these places ignited for Blainey a great affection for the Australian landscape, and a deep curiosity in Australia's history. He longed to travel, and would climb atop the roof of their home to stare out at the Great Dividing Range and imagine the world beyond.

Mistletoe and Mr. Right by Lyla Payne:

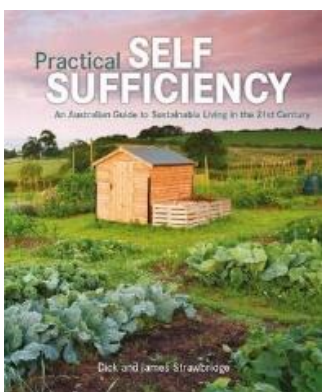

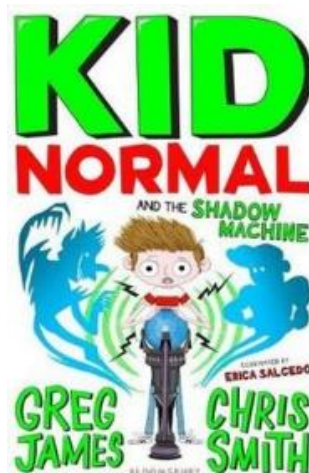

In "Mistletoe and Mr. Right," Jessica (not Jessie) takes a flying leap and follows her boyfriend home for the holidays for Christmas break, sure that Ireland will provide the perfect backdrop to the beginning of their happily ever after. But it turns out his family--and his gorgeous ex-girlfriend--don't feel the same way, and the only person making the trip worthwhile is the local farmhand, who has a way of showing up when Jessica needs him most . . . and least.

Never look back by Alison Gaylin:

For thirteen days in 1976, teenage murderers April Cooper and Gabriel LeRoy terrorized Southern California's Inland Empire, killing a dozen victims before perishing themselves in a fire... or did they? More than 40 years later, twentysomething podcast producer Quentin Garrison blames his troubled upbringing on the murders. And after a shocking message from a source, he has reason to believe April Cooper may still be alive. Meanwhile, New York City film columnist Robin Diamond is coping with rising doubts about her husband and terrifying threats from internet trolls. But that's nothing compared to the outrageous phone call she gets from Quentin... and a brutal home invasion that makes her question everything she ever believed in. Is Robin's beloved mother a mass murderer? Is there anyone she can trust?

YOU DON'T NEED SUPERPOWERS TO BE A HERO ... Or do you?

Despite having no powers, Murph Cooper is part of the best team in the Heroes' Alliance. So when supervillain Magpie declares all-out war, Kid Normal and the Super Zeroes lead the charge. But Magpie believes that a powerless hero is no hero at all. And he's building a dastardly device to prove it. When Kid Normal enters the Shadow Machine, THE WORLD WILL NEVER BE THE SAME ...

SWIMMING POOL NEWS

Kevin O'Halloran Memorial Swimming Pools season is now well and truly underway and we've had a really good start to the season with everyone having a great time cooling off. We have plenty of things happening with Swimming Club up and running, aqua fitness classes going on, morning lap swimming available and soon School In-term Swimming lessons starting (Monday December 2 until Friday December 13). So come down, bring the family and enjoy this fantastic facility.

Season Passes can still be purchased from the Shire Offices or here at the Pool.

NEW POOL INFLATABLE ARRIVING

The swimming pool has a new 18 metre inflatable arriving any time soon. It is called the BLITZ and is an obstacle course for children that can go in the main pool. This new inflatable will be being used as much as possible and we hope to see you soon having a go at trying to make it to the end. MORE TO COME SOON!!

Remember to Watch Around Water

Please remember with the summer season getting into full swing that the following supervision rules apply at the Pool.

- Children under 5 must have a Swimming Adult in the water with them at all times.
- Parents and guardians with children under 10 must be dressed and ready to enter the water.
- Children under 10 must be actively supervised by a responsible person over the age of 16.

Aqua Aerobics

Our fantastic Aqua Aerobics classes are held on Monday's and Thursday's from 5:30pm to 6:30pm. Cost is \$10.00 per session which includes pool entry and \$8.00 for holders of a season pass. Come down and give this enjoyable exercise class a try, you will be amazed how great a workout it really is.

Be Alert for BEES

As we have had a pretty dry winter we are getting more activity from Bees this year at the pool than in the past. If your child is allergic please keep a close eye on where they are and if there are any Bees in the water around them. The best thing to do is to get a leaf, pick them up with it and take the bee over to the trees to recover. If you or any of your children do get stung, Pool staff have tweezers and cold packs available for use.

The Shire of Kojonup would like to congratulate the students of KDHS and the Stephen Michael Foundation on the success of their Football carnival held on 15 November. The students did an amazing job coordinating the entire event, and it was wonderful to see so many community members participate on the day. Pania Watene and Wiremu Watene were recognised as Best On Ground of the female and male players for the day (pictured with their prizes).

Special congratulations must go to Ashton Gianatti-Morrison on having the winning design for the Kojonup jersey (shown here with Stephen Michael).

LANDCARE

Kojonup District High School Students and the Wild Pollinator Count

Kojonup District High School Students participated in a citizen science project on the 14th November 2019 with the Shire of Kojonup's NRM/Landcare Officer, Jane Kowald. Students from Years 6, 8 and 9/10 participated in the scientifically standardised method to record pollinating insects on the school grounds.

Insects are one of the pillars of our ecosystems, providing essential ecosystem services through pollination, nutrient cycling and in the food chains of birds and other insectivores.

Over 50 students had to pick a flower, determine whether it was native or introduced, name the flower, then watch it for 10 minutes and record any insect that landed on the flower. Results were then entered into the wild pollinator count website, where their results will be collated and used by scientists to inform how we can improve our environment by planting to support a greater abundance and diversity of wild pollinators.

The next Wild Pollinator Count is on 12-19 April 2020 and you can take part!

Visit www.wildpollinatorcount.com for more information.

Pollination and Farm Resilience Survey

South West Catchments Council is implementing a 4-year project with farmers to improve crop pollination in canola, avocados and orchards (apples, stone fruit).

If you farm one or more of these crops, and would like to take part in the project, please email Mike Christensen: mike.christensen@swccnrm.org.au, and we will start the process with a phone interview. Alternatively, you can do an [online survey here](#).

For those able to participate in a phone interview we will be giving you a \$30 voucher to a rural supplier near you.

Please feel free to share the survey in your own networks. Survey closes 6 December 2019
