

SHIRE OF KOJONUP E-NEWS

Edition 191 – 30 October 2020

COUNCIL BRIEFS

The Council meeting was held on 20 October and proceedings commenced with an presentation to Mr Mick Cowie in recognition of his retirement and 19 years of service to the Shire of Kojonup.

Continuing with the formalities, some of the outcomes are as follows:

10.1. Review of Volunteer Handbook

The Shire of Kojonup has many different activities that volunteers engage in, working alongside staff to deliver and enhance services and initiatives offered by the Shire. Without the support and contribution provided by volunteers, some of these services and initiatives would be difficult to sustain into the future.

The Handbook represents a detailed point of reference for volunteers, provides guidance to managers overseeing volunteer programmes and recognises volunteers as an integral part of our organisation.

The Handbook was subsequently reviewed and adopted by Council accordingly.

10.2 Kojonup Community Men's Shed Inc. – Licence Agreement

Kojonup Community Men's Shed Inc. (Men's Shed) rents a portion of 133/135 Albany Highway, from the Shire of Kojonup (Shire) and at the 21 April 2020 Ordinary Meeting, resolved to pause rental fees.

The remainder of the building was vacated and the Men's Shed made a formal request to Council to:

- Use of space within the building that is now available following vacation by the previous lessee; and
- Either payment of outgoings by the Shire *or* removal of rental charges, in order to assist the community group with financial sustainability into the future.

Council's decision is as follows:

That Council, conditional upon the Men's Shed contributing an amount to be negotiated towards the architectural designs of a new Benn Parade joint facility,

1. Agrees to amend its licence agreement with the Kojonup Community Men's Shed Inc. (Men's Shed) for 133/135 Albany Highway, Kojonup, by foregoing rental charges until the expiry of the current licence agreement (30 June 2021) and that both parties re-consider this arrangement prior to the expiry of the licence agreement on 30 June 2021 if wishing to continue the licence arrangement after that date;

AND

2. Agrees to Men's Shed's use of the space previously leased to another party, as per the attached diagram and within the scope of the above existing licence agreement.

10.3 The Kodja Place

The Kodja Place Community Fund Inc. (KPCF) meeting held 17 September 2020, namely passed the following motions:

1. The Kodja Place Community Fund are seeking agreement from Council to give the KPCFI the autonomy to hold events, upgrade displays and put in place applicable Curatorial Audit recommendations in consultation with stakeholders. If required we will report back to council.
2. Shire President John Benn and Vice President Ned Radford collaborate on a streamlined process which outlines the steps required for community members and groups to follow in order to hold events and functions at Kodja Place.

The KPCF in one of is a key stakeholder along with the Kojonup Aboriginal Corporation, Marribank Aboriginal Corporation, Kojonup Historical Society, WA Museum, Great Southern Development Commission, Black Cockatoo Café Lessee, Tourism WA, Community and Council. As such, requests from KPCF cannot be considered in isolation without engaging in appropriate consultation with all parties.

The Officers Recommendation included 5 points for consideration by Council however, the Council decision was to "*lay the matter on the table*" to allow Council the opportunity to meet with members of the Storyplace/Gallery Work Group, KPCF Inc. and Kojonup Aboriginal Corporation (KAC) to discuss the Funds concerns and/or opportunities contained within the agenda item before a decision is made.

11.1 Repeal Local Law 2020 Adoption

The Department of Local Government, Sport and Cultural Industries identified that there were a number of local law related listing anomalies dating back to 1936. The Department investigated these anomalies and found that, although showing as repealed, the fencing by-laws were incorrectly recorded as such.

Council, at its 28 July 2020 Ordinary Meeting, resolved to propose a Repeal Local Law 2020 to repeal the old, *still in existence* fencing by-law and its amendments. These old local laws have also been superseded by Council's Fencing Local Law 2020.

Council's resolution is as follows:

That the following local law be adopted, as attached, following advertising for public submissions or comment in accordance with s. 3.12 (3) of the Local Government Act 1995, and once comment having being received and amendments made that do not significantly alter the local law as it was proposed:

Repeal Local Law 2020

- *Purpose: to repeal outdated legislation (being the Shire of Kojonup's Fencing By-law gazetted on 23 December 1971 and its subsequent amendments gazetted on 31 August 1990 and 20 March 1992) identified during the Shire of Kojonup's review of its local laws.*
- *Effect: the repeal of the Shire of Kojonup's obsolete Fencing By-law gazetted on 23 December 1971 and its subsequent amendments gazetted on 31 August 1990 and 20 March 1992.*

12.5 2021 Ordinary Council Meeting Dates

Local Governments are required to give local public notice of the date, time and place with respect to ordinary council meetings and, committee meetings which are proposed to be open to members of the public and shall be held within the proceeding 12 month period.

Council resolved the following Council meeting schedule for the 2021 meeting period.

That:

3. *Local public notice be given of the approved Council meeting dates for the 2021 year.*

12.6 Administration Office, Library and Depot Closure during the 2020/2021 Christmas and New Year Period

Council were requested to approve the Administration Office, Library and Depot closure during the 2020/2021 Christmas and New Year period and the officer recommendation was approved as follows:

That approval be granted for:

- 1. The closure of the Administration Office and Library during the Christmas and New Year period from 12.30pm Thursday 24 December 2020 and reopen at normal work times on Monday 4 January 2021; and*
- 2. That local public notice of the closure be advertised.*

Council also closed a portion of the meeting to members of the public to consider two items and Councils decisions are outlined as follows:

17.1 DISPOSAL BY SALE – LOT 66, 101 ALBANY HIGHWAY, KOJONUP

That Council, having received nil submissions, proceeds to sell Lot 66, 101 Albany Highway, Kojonup for \$51,000 to Manj Family Trust:

- 1. With each party to pay its own settlement expenses; and*
- 2. The Chief Executive Officer discussing with Manj Family Trust, its receptiveness of Council using the eastern portion of Lot 66 as public open space/off street parking aligned to the mini town square concept.*

17.2 QUOTATION FOR THE SUPPLY AND DELIVERY OF 1 (ONE) WHEEL LOADER

CORPORATE AND COMMUNITY SERVICES

Exciting news!

Kojonup has been selected as Sate Finalist in the Tidy Town judging which took place in September. The two categories which Kojonup has been selected for are Environmental Sustainability and Environmental Education. Thanks To Jane Kowald, Marina Murray and their team for involving school kids in environmental education and Marina for endorsing a water wise town. The awards ceremony are November 27 with competing towns being Boddington, Dumbelyung, Kalgoorlie Boulder, Port and South Headland, Wongan Hills, Broome, Pia Wadjarri and Wellstead. We cannot wait to start with beautifying our town to enter more categories next year. As always we are looking for enthusiastic community members to join our committee.

Did you know there were 221 women who were screened when the WA Breast Screen visited Kojonup in September?

These screenings could have potentially saved over 200 lives. Be sure to have your mammogram when they next visit.

New to our Library:

Turn Left at Venus – Inez Baranay:

They were two little girls on a very big boat.

In the 1930s, Ada and Leyla meet as children on a boat bringing migrants from Old Europe to the New World. They talk of seeing kangaroos yet end up living miles apart from each other in suburban Sydney. Their separations are often lengthy, but their friendship endures across continents and decades and is a thread in this haunting story of writing, relationships and ageing. Ada (A.L. Ligeti) becomes an author, searching for a Utopian world, exploring aspects of patriarchy and gender in her ground-breaking feminist science fiction novel called *Turn Left at Venus*. That novel and its sequels are celebrated and much discussed by generations of fans. Memory and imagination fold seamlessly into one another as Ada keeps moving on, from relationships and places, living in hotels and rental spaces in Kings Cross, San Francisco, Ubud and elsewhere.

The Book of Longings – Sue Monk Kidd: Raised in a wealthy family in Sepphoris with ties to the ruler of Galilee, Ana is rebellious and ambitious, a relentless seeker with a brilliant, curious mind and a daring spirit. She yearns for a pursuit worthy of her life but finds no outlet for her considerable talents. Defying the expectations placed on women, she engages in furtive scholarly pursuits and writes secret narratives about neglected and silenced women. When she meets the eighteen-year-old Jesus, each is drawn to and enriched by the other's spiritual and philosophical ideas. He becomes a floodgate for her intellect, but also the awakener of her heart.

Hi all,

Firstly, thank you to all the families and friends of our residents, for your continued support and assistance by following our restrictions, which are in place to keep your loved ones safe from COVID19.

We have reviewed our current practices, and have taken several things into account, such as, State Government directives, the current situation over East, as well as how well WA is doing as a state with our borders being closed.

Going forward, visiting restrictions to Springhaven Lodge will be as follows:

- Mandatory flu vaccine and presentation of vaccine record on first visit (to allow for record to be put on a register, for staff to refer to when you visit again).
- Not be exhibiting symptoms of an influenza like illness (Temperature over 37.5, coughing, sneezing, fatigue, body aches etc.).
- Not have travelled overseas in the previous 14 days or had been informed of being a close contact of someone who tests positive of COVID-19.
- Visitors are not required to call and book in their visit but doing so will help staff to organise your loved one for the visit.
- Unfortunately, as Springhaven is an open plan facility, we must keep the front door locked, as we do not have a reception. This is to prevent visitors without a flu vaccine from walking in. The front doorbell is now linked to Care staff pagers to alert them that someone is at the door. Please be patient with staff as they are tending to residents and making sure they are safe before they leave them to answer the door.
- Visitors are still not allowed in communal areas and will continue to sign in at the front door and enter resident's rooms via external patio door.
- Visitors are welcome at any time during the day, visits during mealtimes or activities (such as bingo or church service) will be facilitated in the resident's bedroom.
- Residents can be taken out for outings by visitors, preferably to outdoor areas such as sitting outside a café or lunch in a park. Where possible please avoid bringing residents to highly populated areas. This is to avoid contact with members of the community who have not received the flu vaccine.

These changes will be in effect from tomorrow, Wednesday 21st October 2020.

The Shire of Kojonup and Springhaven may change these visitor restrictions at any time, based on State advice, as our primary aim remains the safety of our residents and staff.

If you have any questions or would like to meet with me, please call 98312800 to arrange a meeting.

Kind regards

NATURAL RESOURCE MANAGEMENT

FENCE LINE CLEARING

Can I Clear Native Vegetation Along My Fence Line?

If you are the owner of the property, you may clear a strip along a fence line **within your property** to the width necessary to provide **access** to construct or maintain a fence, provided that the clearing, combined with other limited exempt clearing (under the Regulations) on the property, does not exceed five hectares in the financial year in which the clearing takes place.

A separate exemption exists for clearing between private property and Crown land (e.g. a road reserve), provided that the clearing on the Crown land is no more than 1.5 meters from the fence and is required to enable **access** to construct or maintain a fence. This exemption applies to the owner of the land on which the clearing is to take place or with the prior authority of the owner, therefore in the case of a road reserve, **written approval from your local Shire must be obtained prior to undertaking the clearing.**

These exemptions do not apply in environmentally sensitive areas.

The onus is on the landowner and any other person carrying out the clearing on their behalf, to ensure compliance with the *Environmental Protection Act 1986* (EP Act), regardless of any advice given by the Shire.

It is important to read all the exemption requirements or elements:

It authorises the clearing of native vegetation on Crown land along a fence line; and

- The clearing can only be for the purpose of providing **access** to construct or maintain a fence between private property and Crown land; and
- (as a limitation to these first two parts of the exemption) –the clearing can be no more than 1.5 meters from the fence line.

If the intended clearing does not satisfy all these requirements then the exemption does not apply, and a clearing permit is required.

The following images provide examples of this exemption:

Example 1

1	The cleared tree pictured above is within Crown land and is along a fence line	✓
2	The cleared tree was preventing the property owner from being able to access and construct the new fence	✓
3	The cleared tree is less than 1.5 metres away from the fence line	✓

This clearing is authorised by the exemption

The clearing of the tree would not be authorised by the exemption.

Example 3

The clearing of the tree was not authorised, Clearing Permit required.

FENCE LINE CLEARING

Although a tree may have limbs that overhang a fence and there is a possibility that a tree limb could fall and damage the fence at a later point in time, the tree cannot be cleared under this exemption unless all three requirements are met. If the limbs do not impede access to the area to construct or maintain the fence (the second requirement) the exemption would not apply and a **clearing permit** issued by the Department of Water and Environmental Regulation (DWER) would be required. The limb itself could be removed (pruned) as it would not constitute 'clearing' as defined under the EP Act if the removal of this limb does not cause substantial damage to the tree and the trunk of the tree is not severed.

This exemption does not authorise the wholesale clearing of all native vegetation on the Crown land within 1.5 meters of the fence line, it only authorises the clearing of as much vegetation as is necessary “to provide access to construct or maintain a fence”.

Any clearing undertaken must be done in such a way to limit damage to neighbouring vegetation.

Unauthorised Clearing of Native Vegetation

The clearing of native vegetation in Western Australia without authorisation is an offence under the *Environmental Protection Act 1986*. **Unlawful clearing by individuals can result in fines of up to \$250,000.** Guide lines on clearing exemptions and applications for clearing permits are available on the DWER website www.dwer.wa.gov.au

Written Approval from the Shire

The Shire of Kojonup will provide written confirmation, as manager of crown land road reserves, for the adjacent land owner to clear within the conditions listed above. **This requires written or email contact at least 1 week before the required fence line clearing identifying:**

- Where the fence to be cleared;
- When it will be done;
- Who will do it (is there a contractor).

This written approval process will allow shared understanding and acceptance of the requirements, and also the ability for the Shire to consider aligning its own road maintenance schedule with the fence line clearing.

Acknowledgment to Shire of Narrogin for these guidelines, 2019.

WORKS AND SERVICES

We’ve all heard those jokes about “shire workers” and what they do and don’t do but there are many things that our Works and Services staff do that you may not be aware of such as, inspections of our park equipment inspections.

Thorough inspections are conducted on a monthly basis of all the equipment including play equipment and seating, as demonstrated by Tash Hira, to ensure it is fit for purpose including raking of sand areas.

Then there are the projects that you can see, such as the Benn Parade reconstruction. The Shire of Kojonup is proud of all our employees and the work that they do, on time and on budget.
