## COUNCIL BRIEFS

(14 December 2021 Ordinary Meeting)

### **Spencer Street Youth Precinct – Concept Plan**

Council has adopted a Concept Plan for the Spencer Street Youth Precinct. At this point in time it is conceptual and we welcome the community to view a copy of the plan at the Shire Administration office.

### **Parking Local Law and Cats Local Law**

Council is proposing a Parking Local Law to assist our Regulatory Services team to provide a safer community and have the ability to respond to parking complaints and issues such as contraflow verge parking, parking on footpaths, disruption of commercial business, large vehicles parking in residential areas etc.

A Cats Local Law is also proposed to allow Regulatory Services to respond to issues including cat hoarding and associated health consequences, nuisance/feral cat complaints, and elimination of cat roaming and to regulate the number of cats kept on premises and issue approval for cat breeding etc.

A copy of both proposed local laws is available from the Shire Administration Office and submissions and comments may be made up to 4.00pm, Monday, 28 February 2022.

### **Bush Fire Brigade Volunteers – Personal Protective Equipment**

Council has authorised a budget variation to allow for sufficient purchase of Personal Protective Equipment (PPE) for members of the Shire's volunteer fire brigades, due partly to a large amount of extra registered volunteers. A request has been submitted to the Department of Fire and Emergency Services to allocate further Emergency Services Levy funding; however, no confirmation has been received at this stage.

### **Policy 2.2.11 – Shire Uniforms Update**

Council has updated its Shire Uniforms Policy to include a biennial monetary contribution of \$200 towards prescription safety glasses for permanent full time employees working within roles that require safety glasses as an item of Personal Protective Equipment.

### **Springhaven Policy Update**

In accordance with legislative changes flowing through from the Royal Commission into Aged Care Quality and Safety, Springhaven Lodge's *Reportable Incidents and the Serious Incident Response Scheme Policy* and *Restrictive Practices Policy* have been updated. This is a part of our integrated and risk management system for Springhaven.

### **Reserve Account Appropriateness Review – 2021/2022**

The Shire's Reserve Accounts have undergone an annual review addressing the appropriateness of purpose, suitability of current balances and deficiencies for the funding of asset management and future projects as identified in adopted forward plans.

Changes have included renaming and changing the purpose of the 'Community Grant Scheme Reserve' to the 'Memorial Hall – Theatrical Infrastructure Reserve' (to fund the upgrade of theatrical equipment and infrastructure in the Kojonup Memorial Hall) and transfers in the draft 2022/2023 budget, by priority, to Reserve Accounts.

Additionally, Council will further discuss the strategic direction of three accounts at a future briefing session; namely, RSL Hall Building Renewal, Saleyards, and Economic Development. Council has also amended Policy 2.1.8 by deleting 'Energy Efficiency – 50% of any savings resulting from expenditure of this reserve account is to be transferred back into the reserve' and adding 'Netball Court Resurfacing Reserve – a \$3,500 annual contribution will be made to this Reserve to make provision for the resurfacing of the acrylic surface at the end of its useful life'.

### **Ordinary Council Meeting and Council Advisory Committee Meeting Dates – 2022**

## CORPORATE AND COMMUNITY SERVICES

### Shire's Volunteer Fire Fighters – Training

After the WA Government's Work Health and Safety Bill — which introduces industrial manslaughter as a crime — passed through parliament in November last year, it is expected to come into operation in March next year. This will have ramifications to the Shire's Volunteer Fire Fighters as they will then be classified as Shire employees. This requires the Shire to complete minimum training for the Volunteers before they are able to be on a fire front.

As a result the Shire of Kojonup recently hosted the Bush Fire Awareness course alongside DFES and the CESM Officer.

The Shire has conducted 5 sessions over the previous 3 Mondays with over 450 participants attending these courses. There has been an overwhelming response from the Volunteer Fire Brigade Members and members of the community.

We would like to pass on our thanks to the various DFES trainers who assisted the shire in running the event, members of the community who attended the course, Shire Staff who assist with cooking breakfast for participants and Kevin Bransby for running the course.

Should you wish to register for future training, or become involved with your local volunteer brigade, please contact the Shire.

### UPDATE ON NETBALL COURTS

We wanted to give everyone an update and a peak at the progress on the Courts before the Christmas Break.

The roof is going up.....How exciting!

## Massive Kojonup wind farm one step closer

A proposal for a \$400 million wind farm in Kojonup has passed a major planning hurdle. The proposal, backed by a number of farming families in the region, intends to build one of the biggest wind farms in the State, with 42 turbines capable of generating almost 180 megawatts combined.

**Drought Communities Programme – New Dam  
(Federal Department of Industry, Science, Energy and Resources)**

With the assistance of Drought Communities Programme funding, the Shire engaged Klopper Contracting to construct a new dam and contour banks to the south of the Kojonup saleyards. The Shire's Works and Services team has overseen the completion of the project and installation of a new solar pump; thanks to all involved in this project. The new dam provides extra water supply for reticulation at the sports oval and other local water use requirements.

## LIBRARY

## Word of the Day

obfuscate verb | AHB-fuh-skayt

## Definition:

*transitive verb*

1 a : to throw into shadow : DARKEN  
b : to make obscure

2 : CONFUSE

obfuscate the reader

*intransitive verb*

: to be evasive, unclear, or confusing

## Did You Know?

Obfuscate comes from the Latin prefix ob- (meaning "over" or "completely") and fuscus ("dark-colored"). That fact gives an idea as to how the word can refer to making something difficult to see or understand—much like how dark, dirty water makes it hard to see the bottom.

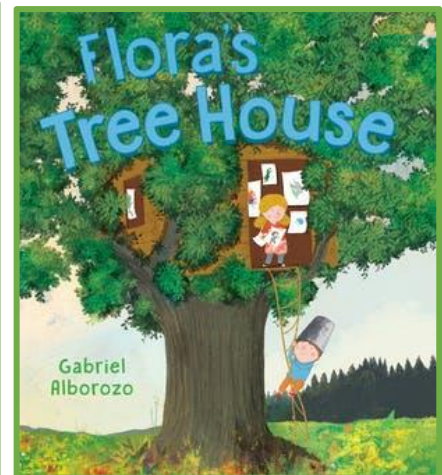

## Pre-Primary Library &amp; Council Visit

On Thursday 2 December, we were visited by KDHS Pre-Primary with Mrs Webb, Mrs Zadow and Mrs McGuire. We read a great book together, with playful text and vibrant art, Gabriel Alboroz's *Flora's Tree House* is a unique picture book about imagination for all children learning to appreciate a sibling's strengths, as well as their own.

Siblings Flora and Will couldn't be more different. Flora brings epic fantasies to life in drawings and paintings, which she then hangs in her tree house. Will's adventures live in his mind as he leaps from trees and swings twigs like they're swords. Will has never been in Flora's tree house, but one day, his curiosity gets the better of him—what exactly is his sister doing up in there? In one joyful afternoon, Flora and Will's imaginations collide, and sister and brother discover that playing together is always more fun.

From the quiet of the library we ventured into Council Chambers, where the children all took a seat as we called a 'Special Meeting'. It was noted that this financial year Council are responsible for \$20 million dollars, the children did agree unanimously that they would all like a 'flying fox!'

Thank you for your visit and the thank you card you gave to Mrs Greeuw.

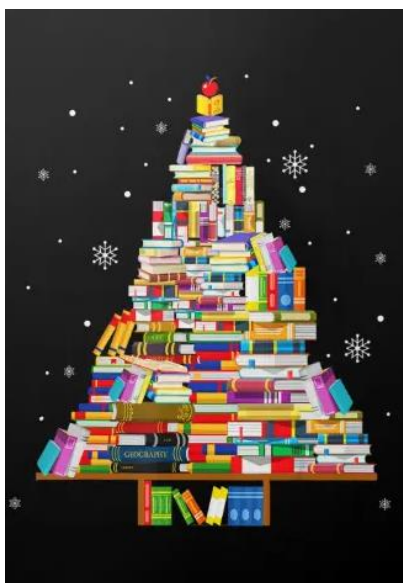

### 'NEW MUMS & BUBS'

The library has been blessed once again with the 'NEW MUMS & BUBS' group, supported by Di House: our wonderful Child Health Nurse along with Allied Health sharing enough information for our families to feel supported and happy to reach out for any extra information needed. The families are invited in to use the library afterwards to keep socially connected within the group, as they will have children at day care, playgroup, kindy and the schooling journey, don't forget the after school and weekend sports. It's always great to see a familiar face.
