

PUBLIC NOTICE

ORDINARY COUNCIL MEETING AUDIO FAILURE

TUESDAY, 29 APRIL 2025

Unfortunately, due to a technical failure with the microphone system at the commencement of the meeting, there is no audio available for the Tuesday, 29 April 2025 Ordinary Council Meeting. The failure was not known until after the meeting convened, so no improvised recording is available either.

We are collaborating with our software company to resolve this issue for future meetings.

Grant Thompson
Chief Executive Office
