## COUNCIL BRIEFS

### Winter sports

Council wishes to extend its best wishes to our Football, Hockey, Netball, Golfers and other winter sport teams, players, supporters and sponsors for the 2019 season.

### Men's Shed Regional Forum

Congratulations to the Kojonup Men's Shed on hosting a very informative zone meeting which was well received by visitors who had travelled from as far as Albany and Dumbleyung.

### Volunteer Fire Brigades

Council also expresses its sincere appreciation to our volunteer brigades, captains, fire fighters, families and community members for again ensuring we survived a hectic fire season.

Thanks, is also extended to Geoff Gale for his term as President of the Kojonup Bushfire Association and we welcome past Chief Bushfire Control Officer – Digby Stretch to the role.

To our Zulu's Tony Fisher, Roger House, Myles Reid and Ross Fryer-Smith – a huge thank you for the enormous amount of voluntary work you do for the shire. It is greatly appreciated and never taken for granted. Last but by no means least thank you Denise and Rob for your coordination of resources throughout the season.

A very productive and informative meeting chaired by Digby with DFES representatives, Zulu's, Council and observers regarding radio communications/coverage and tower requirements (present and future) was held 17 April 2019. Agreed Actions from the meeting are being immediately progressed to ensure Brigade concerns raised regarding radio communications and tower replacement are addressed prior to the commencement of the 2020 fire season.

The Chief Bush Fire Control Officers Report is included below.

### 2018/2019 CBFCO REPORT

This season began much like those in recent years, with high fuel loads and heavy crops. Between November and March there were a total of 30 fires in our shire. There were also fires in May 2018.

This season Kojonup 2.4 attended a total of 17 fires and Muradup 2.4 a total of 15, with both these units attending the Ryansbrook fire on four occasions. Many of these fires were dealt with by landowners, often occurring from lightning strikes.

This season we have seen three major fires in the areas of Qualeup, Mobrurp and Ryansbrook.

We also saw fires that were allegedly purposefully lit, this matter is ongoing and in the hands of the law.

The Qualeup and Mobrurp fires were as a result of headers catching alight, with the Qualeup fire situated on the boundary of ours and Boyup Brook's shire, which required attendance from both shires to extinguish and monitor.

The Mobrurp fire burnt standing crop, stubbles and machinery owned by the Warburton family. This fire was strongly attended to by Kojonup, Cranbrook and Frankland shires.

The Ryansbrook fire appears to have been started from a heap of pushed up timber that was unfortunately still alight after being lit in winter time. This fire was extremely challenging to extinguish as fire volunteers battled severely strong winds of up to 80kph. 150 units were in attendance on the day, a lot of which came from surrounding shires. The mop up following the fire was very well attended by all Kojonup members. A huge thank you must go to all other shires who attended, also to Stuart Tohl, Ross Fryer-Smith and Myles Reid for coordinating events on the fire ground.

From all of the season's fires it was very apparent that we, as a shire, must push hard to address the inadequate radio communication system currently in place.

The SMS system still appears to be working well, and this year a welcome addition came with Whatsapp providing yet another communication tool.

Reserve burning was not possible this season due to too dry a start and then it becoming too wet to safely and effectively reduce fuel loading.

Thank you to Simon Klopper for his availability at fires, not only with his machinery but also his firefighting truck.

## AGED CARE SERVICES

This week at Springhaven we were joined by two guest speakers - Joe and Anna Macri, retired Managers of Beaufort River Meats.

The residents were enthralled hearing about Joe's life and the obstacles and achievements he and his family had endured since moving from Italy and settling in Beaufort River.

It was an engaging and interactive talk which we all enjoyed very much.

Our weekly in- house, 'Shop' was given an upgrade thanks to the request and input from our residents. We have added numerous items requested by residents including some all-important Easter chocolate!

Our weekly visits from Physiotherapist Helen Bignell continue to be a highlight for the residents. "Movement with Helen" is an essential component in the lives of residents at Springhaven and we are grateful for her tailored exercise routines which she provides for each of the residents.

If anyone has a special talent, plays a musical instrument or if you have a special pet you would like to bring in for pet therapy with residents – please contact Alex on 9831 2800.
