## COUNCIL BRIEFS

### Outcomes from Council Meeting held 11 June 2019

National Australia Medal Presentation made to Robert Sexton and Digby Stretch by Shire President, Cr Ronnie Fleay.

### Natural Resource Management Advisory Committee

1. Receive the Natural Resource Management Committee minutes for the meeting held 6 December 2018; and
2. Adopt the Natural Resource Management Committee meeting dates for 2019

### Request to vary development approval plan for motel units and provide universal accessible accommodation unit.

- 1) Approve the request and alter the approved new site plan to show Unit 1 as a standard motel unit on No. 70 (Lot 12) Albany Highway, Kojonup.
- 2) Grant development approval for the new universal access motel unit on No. 72 (Lot 13) Albany Highway/Spring Street, Kojonup subject to the following conditions/advice:
  - a) The lots being amalgamated to the satisfaction of the Chief Executive Officer (confirmation of the Landgate dealing number or similar) prior to the Building Permit being issued for the new unit.
  - b) The development to be generally consistent with the attached stamped approved plan and where marked in red, unless a variation has been approved in writing by the Chief Executive Officer.
  - c) A maximum of 1 universal access accommodation unit is permitted.
  - d) The building to be repainted in a pastel colour/tone and include a verandah to match the existing units on Lot 12.
  - e) The provision of 1 on-site parking bay suitable for the patron's vehicles to the satisfaction of the Chief Executive Officer. No parking of patron's vehicles is permitted on the road verge or adjoining land.
  - f) Any new access/egress crossover point onto Spring Street to be sited, designed and constructed to the satisfaction of the Shire of Kojonup and/or onto Albany Highway in consultation with Main Roads WA.
  - g) The accommodation unit to be connected to the Water Corporation deep sewer and water supply networks.
  - h) All stormwater to be retained and/or disposed of or reused on-site.
  - i) The site to be landscaped including shade trees and vegetation between the buildings and boundaries in accordance with a Landscaping Plan to be submitted for approval by the Chief Executive Officer.
  - j)

- k)** The provision of a 1.8m high screen fence along the side boundaries at the proponent's cost.
- l)** The proponent to prepare a bushfire management plan and/or evacuation plan to achieve compliance with the WA Planning Commission's State Planning Policy 3.7 'Planning in Bushfire Prone Areas' to the satisfaction of the Chief Executive Officer in consultation with the Department of Fire and Emergency Services.
- m)** The applicant making arrangements to the satisfaction of the Environmental Health Officer for a rubbish storage area (i.e. bin enclosure) and collection service."

## Advice Notes:

- a)** The placement of the unit and construction of the verandah addition requires a separate Building Permit to be obtained prior to any works commencing.
- b)** A Demolition Permit may also be required to be obtained prior to any sheds or structures being removed from Lot 13 to facilitate the development.
- c)** The applicant is encouraged to liaise with their Registered Building Surveyor Contractor to ensure that the proposed position of the new unit and access to common areas can achieve the minimum requirements of the National Construction Code.
- d)** It is important that the accommodation unit and patrons are properly managed to ensure there is no disruption or adverse impacts on the surrounding properties.

## SPRINGHAVEN NEWS

Residents at Springhaven have continued to celebrate some wonderful events over the last few weeks. In celebration of International Italian Day Georgio Leusciatti's lovely wife Ermina and her friend cooked us some authentic Italian food for lunch. The residents had a choice of homemade Gnocci in a four cheese sauce or Spaghetti Bolognese followed by Tiramisu. We are incredibly grateful to Ermina and Saunta for making the residents and staff at Springhaven an unforgettable lunch! Lunch was then followed by the movie, "Everyone Wants to Be Italian" which finished off the day nicely.

Last Thursday was National Gardening Exercise Day! The weather was incredible stormy on the day so instead of the residents going out to garden we brought the garden in to them.

Everyone took part in planting different varieties of seeds lettuce, snow peas, broccoli, beetroot or parsnips. It was a fun activity to help celebrate the day. Once grown all vegetables will be used in our kitchen!

We then had the most amazing day with the Kojonup District High school Kindy class on Tuesday. The residents along with a very excited group of four year olds enjoyed

morning tea followed by fun craft together. With the assistance of the residents the children painted caterpillars made out of egg carton boxes. Everyone had a lovely time together – a special thanks to the school for letting the children visit.

If anyone has a special talent, plays a musical instrument or if you have a special pet you would like to bring in for pet therapy with residents – please contact Alex on 9831 2800.

## COMMUNITY DEVELOPMENT AND TOURISM

### Annual Youth Survey

The 2019 Mission Australia Youth Survey is now open.

The Mission Australia Youth Survey is Australia's largest online youth survey, providing a platform for young people aged 15 to 19 to 'speak up' about the issues that really concern them.

Each year, the Youth Survey gives valuable insights into the lives of young Australians and an understanding of their aspirations, values, concerns and ambitions. The survey provides a snapshot of how young people feel about their own lives and broader national issues.

Mission Australia CEO James Toomey urges young people across Australia to get involved and speak up in the charity's 18th annual Youth Survey.

*The Youth Survey is turning 18 this year and we want to hear from as many young people across the country as we can. The Youth Survey offers many important insights into young people's lives and experiences of growing up in Australia. It equips organisations like Mission Australia with current evidence on how young people are faring so we can advocate on their behalf for the community services and broader policy changes that they need.*

The survey closes on the 31st of July 2019, with results to be analysed and released before the end of the year.

Individual Youth Survey reports are available for schools and organisations where a minimum of 100 respondents complete the survey. If you would like to request an individual report, please contact Mission Australia [youthsurvey@missionaustralia.com.au](mailto:youthsurvey@missionaustralia.com.au) before commencing the survey to receive a unique code.

### Back to the Tap! Reduce, Reuse, Recycle with Keep Australia Beautiful (WA) Community Litter Grants and the Shire of Kojonup

With assistance from the Keep Australia (WA) Community Litter Grants, the Shire of Kojonup has been able to install a Meet PAT water bottle refill station at the much-frequented Apex Park in Kojonup. The water that comes out of the Meet PAT is fully filtered.

### Bottled Water – Did you know?

- It takes up to 3-7 litres of water and one litre of oil to produce one litre of bottled water.
  - A recent Sydney Morning Herald article showed Many taste tests have shown most consumers can't taste the difference between bottled and tap water.
  - Bottles used to package water take over 1,000 years to bio-degrade and if incinerated, they produce toxic fumes.
  - Most water bottles end in landfill.
  - The average Australian drinks 30 litres of bottled water per year.
  - Australians buy more than 118,000 tonnes of plastic drink bottles a year.
- It takes 8 years to recoup the cost of a bottle of water by refilling the bottle with tap water.

Shire of Kojonup CEO, Rick Mitchell-Collins, and Play-in-the-Park participants Olivia Thorn and children, Fergus and Bertie, exploring the Meet PAT water bottle refill station. The blue design reflects the Noongar six seasons as depicted in the Shire of Kojonup's logo.

Your feedback on the water bottle refill station would be appreciated and sent to [landcare@kojonup.wa.gov.au](mailto:landcare@kojonup.wa.gov.au).

### National Survey on Pest Animal and Weed Management Open Now.

The Australian Government is conducting a second national survey on pest animal and weed management. The survey is aimed at agricultural businesses covering; broadacre, horticulture, dairy and other livestock enterprises encompassing all Natural Resource Management (NRM) regions.

The survey asks questions about the incidence of and problems pest animals and weeds cause, the cost of management and the types and effectiveness of control actions—both on-farm and conducted by local groups.

The survey will be open from 9 May 2019 until 15 July 2019.

## CORPORATE AND COMMUNITY SERVICES

### Nightfields

On Friday Night, 7 June 2019 the first nightfield's was held. With a wet and stormy day we thought it would be a bust however the weather cleared up and we were pleased to see 13 kids show up and have some fun! The parents joined in and volunteered to help out also which was great for all to be involved.

We had all ages attend who played netball and football in a Round Robyn style. Next Friday night we hope to see a few more people attend as it's just a fun easy way to get the kids out of the house and active.

After the activities were finished everyone got a sausage sizzle and give aways to take home.

Nightfields will be on for the next 4 Fridays being 14<sup>th</sup>, 21<sup>st</sup> and 28<sup>th</sup> June and 5<sup>th</sup> July the more kids we have come along the bigger teams we can have to allow for a couple of scratch

matches. Parents are encouraged to be involved and help out where possible but not mandatory.

We would like to thank the teachers and parents who volunteered their time to help out!

Road Safety Consultation

As a valued stakeholder in road safety I would like to encourage you to take part in the upcoming consultation process which will shape the next state road safety strategy for Western Australia. This is an important step in our journey towards zero deaths and serious injuries.

The consultation process calls on the community to imagine zero deaths on Western Australian roads. This is an opportunity to help set the agenda for the future and save the lives of drivers, passengers, motorcyclists, cyclists and pedestrians.

The Road Safety Commission is asking all Western Australians to think about your loved ones and reflect on what you are prepared to do to support to improve road safety. Your input will guide the Road Safety Council when making the draft recommendations to the State Government.

Last year more than 2,200 people were killed or seriously injured on our roads. About 70% of crashes involve someone just like you or me, making a mistake, being distracted or having a lapse in judgement.

Visit the Imagine Zero website, <https://imaginezero.rsc.wa.gov.au/> to;

- Sign up to attend a local community forum;
- Complete an online feedback form;
- Learn about the Safe System approach to road safety;
- Read the consultation paper.
