Dear Judy,

Thankyou for the letter regarding  
the Qualup Hall, dated the 19-8-19.

We will call a meeting when we have  
enough information to put forward.

In the mean time can you forward  
us what the Shire expects from us if our  
decision is to retain the hall.

Getting people together for meetings is not  
easy so we need as much information as  
possible first.

Thankyou

Yours Sincerely

John Brins
